

Professional Summary

Results-driven Designing expert with 12+ years of experience in leading cross-functional teams and driving innovative solutions. Proven track record of successfully managing large-scale projects, leveraging expertise in AutoCAD, Revit, and Pile Foundations to deliver high-quality outcomes.

Professional Experience

Senior Designing Manager (DE09)

Inazuma.co | January 2018 - Present

Designing Team Lead (DE07)

NovaTech Inc. | June 2015 - December 2017

Key Achievements:

- Successfully led the design team for a \$10M highway expansion project, resulting in a 25% reduction in construction time.
- Implemented a new design workflow, increasing team productivity by 30%.

Responsibilities:

- Managed a team of 5 designers, providing guidance and mentorship.
- Coordinated with clients to understand project requirements and deliver tailored solutions.

Senior Designer (DE05)

GreenBuild Architects | March 2012 - May 2015

Key Achievements:

- Designed the structural framework for a LEED-certified skyscraper, earning the company its first sustainability award.
- Collaborated with the construction team to resolve design discrepancies, ensuring project timelines were met.

Responsibilities:

- Created detailed design plans and models using AutoCAD and Revit.
- Conducted site visits to ensure design specifications were accurately implemented.

Junior Designer (DE03)

CityPlan Engineering | August 2009 - February 2012

Key Achievements:

- Assisted in the design of a municipal water treatment plant, contributing to a 40% increase in water quality.
- Developed and maintained the company's design standards manual.

Responsibilities:

- Assisted senior designers in creating project plans and models.
- Conducted research on new design software and technologies.
