

Professional Summary

Transformational Architect with 15+ years of experience in shaping innovative, sustainable, and functional spaces. Proven track record of leading cross-functional teams in delivering high-profile projects in healthcare, mixed-use, and urban planning. Skilled in integrating cutting-edge design principles with feasibility studies to drive business growth and community development.

Professional Experience

Senior Principal Architect (AR10)

Inazuma.co | January 2018 - Present

Associate Principal Architect (AR8)

Eclipse Architects Inc. | June 2015 - December 2017

Key Achievements:

- Successfully led the design team for a \$200M hospital expansion, ensuring timely completion and a 25% cost savings.
- Developed and implemented a sustainable design policy, reducing the company's environmental impact by 20%.

Responsibilities:

- Managed a team of 10 architects and designers.
- Conducted feasibility studies for potential projects.

Senior Urban Planner (AR6)

Nova Urban Planning | March 2012 - May 2015

Key Achievements:

- Played a pivotal role in the development of a comprehensive urban plan for a new city, incorporating green spaces and sustainable transportation systems.
- Collaborated with local stakeholders to ensure community engagement and approval of the plan.

Responsibilities:

- Analyzed demographic data to inform urban planning decisions.
- Presented plans to city council and community groups.

Architect (AR4)

GreenSpace Architects | September 2008 - February 2012

Key Achievements:

- Designed a LEED-certified office building, recognized for its innovative use of recycled materials.
- Assisted in the development of a company-wide sustainability policy.

Responsibilities:

- Created detailed architectural drawings and models.
- Coordinated with contractors during the construction phase.
