

Professional Summary

Highly accomplished Architect with over 12 years of experience in designing innovative, functional, and sustainable spaces. Proven track record of successfully leading projects from concept to completion, with expertise in architectural design, submittals, and rendering. Currently, an AR09 level professional at Inazuma.co, driving architectural excellence and team leadership.

Professional Experience

Senior Lead Architect (AR09)

Inazuma.co | January 2020 - Present

Senior Architect (AR07)

Nova Spire Architects | June 2015 - December 2019

Key Achievements:

- Successfully managed the design and construction of a 30-story office building, resulting in a 25% increase in client referrals.
- Developed and implemented a new design process, reducing project timelines by an average of 3 months.

Responsibilities:

- Led design teams for large-scale commercial projects.
- Coordinated with clients to understand project requirements and preferences.

Architect (AR05)

EcoBuild Designs | March 2012 - May 2015

Key Achievements:

- Designed a sustainable, eco-friendly residential complex that received a national green building award.
- Improved project delivery time by streamlining the design review process.

Responsibilities:

- Designed and developed architectural plans for residential and small commercial projects.
- Assisted in preparing project submittals and renderings.

Junior Architect (AR03)

Cityscape Architects | August 2009 - February 2012

Key Achievements:

- Contributed to the design of a city's central park renovation, which became a landmark project.
- Developed skills in architectural rendering, enhancing project presentation quality.

Responsibilities:

- Assisted senior architects in design development and drafting.
- Participated in site visits and construction meetings.
