

Professional Summary

Results-driven Engineering Leader with 15+ years of experience in Civil Engineering, Project Engineering, and Project Planning. Proven track record of delivering high-profile projects on time, within budget, and to exacting standards. Skilled in team leadership, stakeholder management, and process optimization.

Professional Experience

Senior Engineering Director (EN09)

Inazuma.co | January 2018 - Present

Engineering Manager (EN07)

NovaTech Inc. | June 2015 - December 2017

Key Achievements:

- Successfully managed a team of 10 engineers, resulting in a 25% increase in project delivery efficiency.
- Developed and implemented a project management framework, reducing project timelines by 15%.

Responsibilities:

- Team leadership and performance management
- Project planning, execution, and monitoring
- Stakeholder engagement and communication

Senior Project Engineer (EN05)

Pinnacle Engineering Services | March 2012 - May 2015

Key Achievements:

- Led a team of 5 engineers in the design and development of a \$10M infrastructure project, completed 2 months ahead of schedule.
- Collaborated with cross-functional teams to resolve complex project issues, ensuring timely project delivery.

Responsibilities:

- Project planning, design, and execution
- Team collaboration and coordination
- Client communication and relationship management

Project Engineer (EN03)

Green Earth Construction | August 2009 - February 2012

Key Achievements:

- Assisted in the development of a \$5M project, resulting in a 10% cost savings through value engineering.
- Coordinated with site teams to ensure project quality and safety standards.

Responsibilities:

- Project design and planning
- Site coordination and inspection
- Quality and safety assurance

Education

Master of Science in Civil Engineering

Stanford University | 2009

Relevant Coursework:

- Structural Analysis
- Project Management
- Construction Engineering

Technical Skills

Engineering:

- Civil Engineering
- Structural Engineering
- Geotechnical Engineering

Project Management:

- Project Planning
- Project Execution
- Project Monitoring and Control

Software:

- AutoCAD
- Revit
- MS Project
