

## Professional Summary

Transformational Architect with 15+ years of experience in sustainable design, leading cross-functional teams, and driving innovative architectural solutions. Proven track record of delivering high-impact projects that exceed client expectations. Currently, as an AR10 at Inazuma.co, spearheading the architectural vision for SWAN Design and ARCHITECTS, a renowned firm since 2014, known for its cutting-edge designs and exceptional construction practices.

## Professional Experience

### Lead Architect - AR10

Inazuma.co | January 2020 - Present

### Senior Architect - AR8

EcoBuild Inc. | June 2015 - December 2019

#### Key Achievements:

- Successfully led the design team for the award-winning 'Green Oasis' project, a net-zero energy building.
- Developed and implemented a sustainable design framework, reducing the company's carbon footprint by 30%.

#### Responsibilities:

- Team leadership and project management
- Design development and client liaison
- Sustainable design strategy and implementation

### Architect - AR5

DesignForge Architects | March 2010 - May 2015

#### Key Achievements:

- Played a pivotal role in the design and execution of the 'Urban Revival' project, a mixed-use development that revitalized a downtown area.
- Collaborated with the construction team to ensure timely project delivery, resulting in a 25% reduction in project timelines.

#### Responsibilities:

- Design development and documentation
- Construction administration and site visits
- Client communication and project coordination

## Junior Architect - AR2

GreenSpace Architects | January 2008 - February 2010

### Key Achievements:

- Assisted in the design of the 'Eco-Hub' project, a sustainable community center that received a national design award.
- Developed detailed design documents for several residential projects, ensuring compliance with local building codes.

### Responsibilities:

- Design assistance and drafting
- Research and development of sustainable design materials
- Project coordination and administrative tasks
