Spark Engineering | January 2008 - February 2010

Key Achievements:

- Successfully completed a high-profile project 2 weeks ahead of schedule
- Assisted in the development of a new procurement process, resulting in a 10% reduction in procurement time

Responsibilities:

- Assisted in the design and development of electrical systems
- Supported procurement and materials management activities

Education

Bachelor of Science in Electrical Engineering

Massachusetts Institute of Technology (MIT) | May 2007

Technical Skills

Procurement & Materials Management:

- Purchasing
- Materials Management
- Supplier Negotiation

Software Proficiency:

- SAP MM Module
- AutoCAD
- Microsoft Office Suite

Electrical Engineering:

- Electrical System Design
- Project Management
- Team Leadership
