

Professional Summary

Results-driven EN09-level Engineering Consultant with 15+ years of experience in Design, Engineering, and Project Management. Proven track record of delivering multidisciplinary projects on time, driving business growth, and leading high-performing teams. Skilled in Architectural Design, Project Management, and Strategic Planning, with expertise in Sustainable Architecture and Building Surveying.

Professional Experience

Design, Engineering, and Project Management Consultant

Inazuma.co | January 2020 - Present

Senior Engineering Manager

NovaTech Inc. | June 2015 - December 2019

Key Achievements:

- Successfully managed a team of 10 engineers, resulting in a 30% increase in project delivery efficiency.
- Developed and implemented a strategic plan, leading to a 25% growth in business revenue within 2 years.

Responsibilities:

- Led cross-functional teams for large-scale engineering projects.
- Conducted architecture audits and design scrutiny for quality assurance.

Lead Architect and Project Manager

GreenBuild Architects | March 2010 - May 2015

Key Achievements:

- Designed and managed the construction of a sustainable, LEED-certified office building, recognized with a national architecture award.
- Improved project timelines by 20% through effective time management and team leadership.

Responsibilities:

- Conceptualized and developed architectural designs for commercial and residential projects.
- Coordinated with clients and stakeholders to ensure project requirements were met.

Junior Engineer

Cityscape Engineering | January 2008 - February 2010

Key Achievements:

- Assisted in the design and development of a 3D architectural rendering for a high-rise building project, enhancing client presentation materials.
- Participated in site surveys and valuation assessments for property development projects.

Responsibilities:

- Supported senior engineers in project design and planning phases.
- Utilized AutoCAD and Revit for architectural design and modeling.

Education

Master of Architecture (M.Arch)

University of California, Berkeley

Relevant Coursework:

- Sustainable Design
- Building Information Modeling (BIM)
- Urban Planning

Technical Skills

Project Management & Leadership:

- Project Management
- Team Management
- Leadership
- Time Management

Architectural Design & Engineering:

- Architectural Design
- Concept Design
- 3D Modeling
- AutoCAD Architecture
- Revit Architecture

Business & Strategy:

- Business Development
- Change Management

- Strategic Planning

Audit & Assurance:

- Architecture Audits
- Design Audits
- Quality Audits
- Safety Audits

Software & Tools:

- AutoCAD
- Revit
- 3D Architectural Rendering
- Autocad 3D Animation
