Apex Industries | January 2012 - February 2015

Key Achievements:

- Implemented a quality control process, reducing defects by 20%

- Collaborated in the development of a new product line, contributing to a 15% increase in sales

Responsibilities:

- Conducted operational audits and recommended improvements
- Assisted in supply chain management and logistics coordination

Education

Master of Science in Industrial Engineering
Stanford University | 2012

Relevant Coursework:

- Operations Research
- Supply Chain Management
- Logistics and Transportation

Technical Skills

Operations Management:

- Process Re-engineering
- KPI Development
- Operational Audits

Supply Chain Management:

- Supply Chain Optimization
- Inventory Management
- Procurement Strategies

Logistics:

- Transportation Management
- Warehouse Operations
- Distribution Network Design
